Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

#### Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed consolidated interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34 "Interim Financial Reporting" ("IAS 34").

#### Report on review of other legal and regulatory requirements

Furthermore, based on our review, the condensed consolidated interim financial information is in agreement with the books of account of the Parent Company. We further report that nothing has come to our attention indicating any violations of the Companies Law No. 1 of 2016, and its Executive Regulations nor of the Parent Company's Memorandum and Articles of Association, as amended, have occurred during the six month period ended 30 June 2020, that might have had a material effect on the business of the Group or its consolidated financial position.

We further report that, during the course of our review, we have not become aware of any material violations during the six month period ended 30 June 2020 of the provisions of Law No. 7 of 2010 concerning the Capital Markets Authority and its related regulations.
